

# The Total Economic Impact™ Of Epicor ERP

FORRESTER®

Through four customer interviews and data aggregation, Forrester concluded that Epicor ERP has the following three-year financial impact.

“With Epicor ERP, we have access to data so we can make better-informed decisions. We know the actual cost of the product we built, and what our margin is. If margins are too high, Epicor ERP gives you ways to improve processes, to make the job faster or save on material costs.”

*ERP manager,  
industrial goods manufacturing*

## EPICOR ERP BY THE NUMBERS

**Improved customer collaboration and processes**, driving a **6% revenue increase**.

**8 hours saved per week for each FTE** during peak production period due to improved production processes, and reduced errors and rework.

**13 month payback period** with a **net present value (NPV)** of **\$9.32 million**.

## BUSINESS VALUE DELIVERED BY EPICOR ERP

### Improved Efficiency

**\$3.4M** in enterprise efficiency savings

### Revenue Generation

**\$2.7M** incremental profit from increased revenue

### IT Cost Savings

**\$2.3M** saved from consolidation and replacement of legacy systems

“Epicor ERP’s cloud-based offering makes sense as we have an aggressive plan for growth.”

*Operations manager,  
industrial parts manufacturing*
